I'm standing for Council to help our Shire plan wisely for the future – meeting the needs of our community, whilst protecting what makes this place special.

Born and raised in regional WA, I've lived in the Shire for nearly a decade. I'm a small business owner, ratepayer, parent, sports coach, volunteer and advocate for safer streets and responsible growth. I run a landscape gardening business across the Shire. Every day I see how urban growth and local government decisions shape our towns and affect our lives.

I have over 14 years' experience in town planning for State government. I'm keen to use my knowledge of planning and government processes to achieve better outcomes.

My priorities are **meaningful community engagement; transparent decision making; safe, convenient path and trail networks; stronger advocacy with State and Federal government; supporting local businesses and recreation opportunities; environmental protection; affordable and sustainable housing.**
