Weed Spraying around the Shire

Weed control within the Shire is a complex task. A range of techniques are used to manage weeds, including sleeping, steam and herbicide application and in limited urban circumstances, manual control. A weed spraying program will commence from August to February weather permitting.

All spraying in Western Australia is regulated by Australian Pesticides and Veterinary Medicines Authority (APVMA) and WA Department of Health (DoH).

- The Shire uses a range of herbicides;
- The Shire ensures to comply with Health (Pesticide) Regulations 2011 which primarily relate to signage, notification and licensing;
- The Shire conducts programmed weed eradication programs on roadsides, foreshores and reserves for various reasons. These include asset protection, road user safety, fire mitigation and the control of introduced weed species;
- Organic farms are responsible for maintaining any required no spray buffers within their private property boundaries;
- The Shire is unable to commit to "no spraying on verge" requests, however, we aim to minimise herbicide use where practical. By frequently undertaking weed management on your verge and keeping the verge well maintained as well as free of any environmental weeds, residents can actively assist the Shire and alleviate the need to spray the verge. This assists the Shire in reducing the application of herbicide in front of your property;
- To identify weeds, the Shire recommends the Smartphone App MyWeedWatcher. This App enables users to identify and quickly search for a weed according to plant characteristics such as flower colour, leaf shape, and plant type. Please also see: www.agric.wa.gov.au/apps/myweedwatcher.

Please do not approach Shire workers. All questions/queries to be directed as below:

For advice on weed management, please contact the Shire's Landcare Officers on (08) 9780 5252.

For any questions or queries regarding spraying works, please contact Customer Service on (08) 9780 5255 from 9am - 4pm weekdays.

For information on road maintenance issues or should you wish to landscape your verge, please email or write to the Customer Service Officer, Asset Services: amrshire@amrshire.wa.gov.au. A contact submission form is available on the Shire website www.amrshire.wa.gov.au.

Proposed Amendments to: Cemeteries Local Law 2020 and Activities in Thoroughfares and Public Places and Trading Local Law 2020

The Shire of Augusta Margaret River proposes to make amendments to two local laws: Cemeteries Local Law 2020 and Activities in Thoroughfares and Public Places and Trading Local Law 2020.

The purpose and effect of the amendments to the Cemeteries Local Law 2020 is to allow for more clarity on when an application for burial is to be accompanied by a certificate of identification.

The purpose and effect of the amendments to the Activities in Thoroughfares and Public Places and Trading Local Law 2020 is to make clear what a permissible verge treatment is.

A copy of the proposed amendments to the local laws may be requested for inspection by calling the Shire offices on (08) 9780 5255 between the hours of 9am and 4pm Monday to Friday and available online www.amrshire.wa.gov.au/news/community-consultation.

Submissions about the proposed amendments to the local laws may be made to the Chief Executive Officer, Shire of Augusta Margaret River, PO Box 61, Margaret River, WA 6285 by no later than 4pm on Monday 21 September 2020.
