I'm **Tracey Muir** and for nearly **20 years** I have called this region home. I'm raising a family, work as a teacher, have owned and run a farming business and dedicated myself to conservation and community. Over the past four years as a Shire Councillor, I have been a clear and consistent voice for the environment, leading the push for a consultative biodiversity strategy to protect the places we love. As **Deputy Shire President** and **Chair of the Advocacy Committee**, I've met directly with government Ministers and *demanded more* for our **National Parks, schools and hospitals** while also *standing up* for **housing, small business, water security, infrastructure and health services**. I know how local government works, how to balance budgets and make fair and sensible decisions. I've developed a constructive and collaborative style that delivers results. I want to continue serving you, together protecting our unique environment and ensuring families and businesses can thrive into the future.
