

**ADDENDUM**

---

**11.3.11 COMMUNITY CARE PACKAGE - ECONOMIC STIMULUS AND COMMUNITY RESILIENCE  
GRANT FUNDING PROGRAMS**

---

<b>LOCATION/ADDRESS</b>	Shire of Augusta Margaret River
<b>APPLICANT/LANDOWNER</b>	Shire of Augusta Margaret River
<b>FILE REFERENCE</b>	COR/404 & COR/11
<b>REPORT AUTHOR</b>	James Shepherd, Director Corporate and Community Services
<b>AUTHORISING OFFICER</b>	Stephanie Addison-Brown, Chief Executive Officer

---

This addendum provides amended attachments and a revised recommendation.

The amendments include an adjustment to the wording to align the Purpose, Funding Priorities, Eligibility and Process for both documents with the Shire Community Care Package Response to the COVID-19 pandemic.

**REVISED RECOMMENDATION**

That Council:

1. Adopts the Economic Stimulus Grant Program 2020-21 ~~Funding Criteria~~ and authorises the CEO to provide funds for successful grants from the Community Care Package;
2. Adopts the Community Resilience Grants Program 2020-21 and authorises the CEO to provide funds for successful grants from the Community Care Package; and
3. Allocates \$47,000 from the Community Care Package to provide additional funding to the Community Development and Community Event Grants for 2020-21.

**ATTACHMENTS**

1. Economy Stimulus Grants Program 2020-21
2. Community Resilience Grants Program 2020-21

# Community Resilience Grants Program 2020-21

July 2020

## Purpose

As part of the Shires Community Care Package in response to the COVID-19 pandemic the *Community Resilience Grants* have been developed to support:

1. Long-term strategic community projects that enhance sustainability, build resilience and develop our community's ability to withstand ongoing disruption and major shocks
2. Projects that meet one or more of the Community Strategic Plan outcomes
3. Projects that demonstrate value for money

## Funding Priorities

Applications must respond to the needs in our community as a result of COVID-19 pandemic or other major disasters and address one or more of the following priorities:

- Strategic community programs and services that build resilience and capacity within the community
- Create new or improved community-based services and programs that enable the community to better respond in the face of disaster
- Develop support services that respond to areas of need within the community
- Strategic programs that improve sustainability, particularly those that address the effects of climate change within the community

## Eligibility

- The program is open to incorporated community-based groups, not-for-profit organisations and registered businesses
- Projects must take place within the Shire of Augusta Margaret River
- Projects must invest in local services and products
- Projects must respond to the needs in our community as a result of the impact of COVID-19 pandemic or other major disasters and address one or more of the funding priorities
- Applicants are encouraged to find matching funds and in-kind contributions

## Process

The initial funding round will be opened in August and awarded in October 2020 with potential for a second round in 2021. Shire Officers will be responsible for administration, assessment and approval with a project team consisting of:

- Director Corporate and Community Services, James Shepherd
- Coordinator Community Planning and Development, Jason Cleary (Lead)
- Community Development Officer, Kim Rosenfeld

COMMUNITY RESILIENCE GRANTS PROGRAM 2020-21

- Community Development Officer, Jessica Black
- Executive Assistant Corporate and Community Services, Hannah Waters
- Sustainable Economy Officer, Saul Cresswell
- Sustainability Planning Officer, Katie Biggs

The application process will be established and advertised over the next month in line with proposed changes to improve general funding governance across the organisation.

# Economic Stimulus Grants Program 2020-21

July 2020

## **Purpose**

As part of the Shire's Community Care Package in response to the COVID-19 pandemic, the *Economic Stimulus Grants* have been developed to support:

1. Sustainable local employment and business success
2. Projects that meet one or more of the Community Strategic Plan outcomes
3. Projects that demonstrate value for money

## **Funding Priorities**

Applications must respond to the needs and build the resilience of our local economy as a result of COVID-19 pandemic or other economic shocks and address one or more of the following priorities:

- Strategic programs and services that build resilience and capacity within the local economy
- Generation of new or improved economic opportunities that secure or create local jobs
- Initiatives that improve the long-term sustainability of businesses and /or the local economy
- Transitioning to a circular economy

## **Eligibility**

- The program is open to registered businesses, not-for-profits and incorporated associations with an ABN
- Applicant must be located within the Shire of Augusta Margaret River
- Projects must invest in local services and products
- Projects that respond to the needs and build the resilience of our local economy as a result of the impact of COVID-19 pandemic or other economic shocks and address one or more of the funding priorities
- Applicants are encouraged to find matching funds and in-kind contributions

## **Ineligible**

- General subsidies for decreased revenue
- Funding of current operations

## **Process**
