

Training

The lifeblood of any community group is its people. Training and up-skilling your committee members is therefore vital to ensure the longevity and financial sustainability of your community group.

If you would like to receive information on various training courses that are being held throughout the year, add your details to the CommunityCONNECT Register.

Some organisations that provide useful training to community groups are:

Volunteer South West

Provides information sessions for new volunteers, training to support volunteers in their roles, and an online support forum for community groups and volunteers.

Phone: 9791 3214

Website: www.volunteersouthwest.org.au

Email: volunteer.south.west@bigpond.com

Volunteering WA
