Community resilience

The temporary community support services made available at the Margaret River Community Resource Centre will cease as of 4pm Friday 1 June 2018.

Support will continue to be offered by Red Cross volunteers as required. If you feel you need to access these services at any time please call Red Cross directly on 0408 930 811.

The Shire will continue working with the local community and external agencies to assist the wider community in their recovery.
