

Bushfire Management 2018-2019 Contractors

January 2019

This Contractors List is provided as an information source for property owners and occupants residing in or having a property interest within the Shire of Augusta Margaret River. The information was obtained from various advertising locations. The Shire does not accept any responsibility for the quality, business registration, capacity, insurances and or level of service provided by these contractors. It is the property owners / occupants' responsibility to undertake their own due diligence before selecting a contractor to undertake hazard reduction works on their behalf. The Shire has provided this Contractors list in good faith as a reference guide only.
