

Shire of Augusta Margaret River Library Service FAQs: How Do I...?

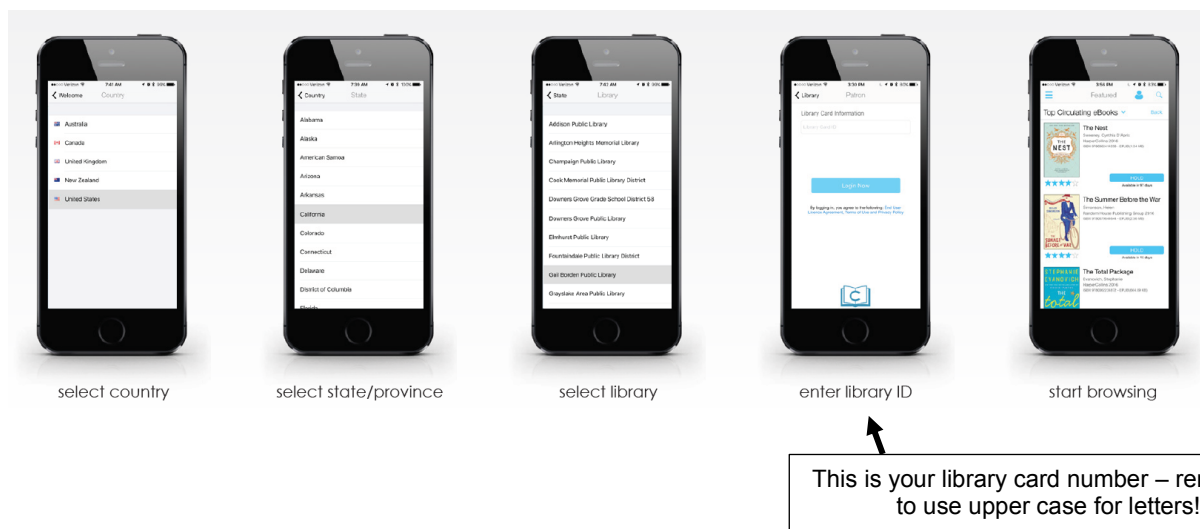

Access e-books using cloudLibrary

1: Download the cloudLibrary App

The app is available in the **Apple App Store**, **Google Play Store**, and **Kindle Fire App Store**.

2: Follow these steps...

Simple as that!

You can also log in and browse the cloudLibrary website at
<https://ebook.yourcloudlibrary.com/library/augustamargaret/Featured>

The website can also be found by going to **amrlibraries.com** and following the links to: **Library Services>Online Resources > Download**

Regardless of which method you use to access cloudLibrary, your selections will automatically sync across all your devices and you will see your selections ('My Books') listed whether you are using the website or your mobile device.

The cloudLibrary app is compatible with the following devices: iPad, iPhone, iPod Touch, Android Phones, Android Tablets, NOOK Tablets, NOOK eReaders, Kobo eReaders and Kindle Fires.
