

Join the library

We encourage everyone to join our community of library members, in order to access the full range of library services. Your library membership is valid at both the Margaret River and the Augusta branches.

You **don't** need to be a member to:

- Use the library wifi & public PCs
- Use photocopying, printing or scanning facilities
- Attend an event or activity
- Just hang out and enjoy the space, read a book or have a cuppa

You **do** need to be a member to:

- Borrow items – books, DVDs, magazines, and digital devices including C-pen and power usage meters
- Access our huge range of e-resources (e-books, e-audiobooks, movies, educational courses)
- Use public PCs without having to ask staff for a guest pass each time

Adult memberships

To become a member, visit either one of the branches with some ID. Our friendly staff will ask you to complete a form and will introduce you to the services that are available to you.

Under-18s

Parents/guardians need to bring in some ID (for themselves, not the child), sign the register and accept the rules of use on behalf of the child.

Internet-only memberships

If you don't want to borrow items, but are a regular user of public PCs, ask for an Internet membership, and we'll give you a card to use to log in at the PCs – then you won't have to ask for a guest pass every time.
