

Setting up your device, signing in and browsing OverDrive

Setting up your device

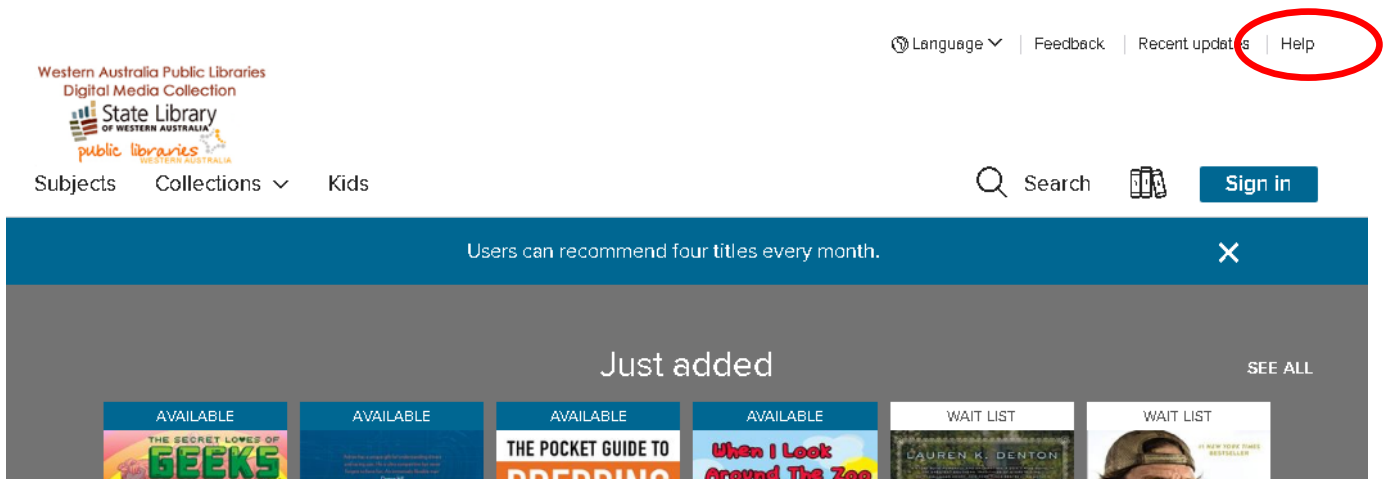

1. Go to

<http://www.amrshire.wa.gov.au/your-library-service/online-resources/download-ebooks-eaudio-emagazines>

... And click on the Overdrive icon.

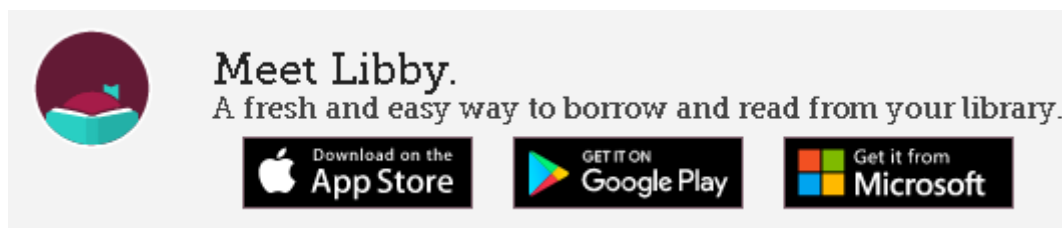

The State Library (WA Public Libraries) Overdrive page will open.

2. Click on the **Help** icon:

The Overdrive Help page will open.

2. Click on the appropriate box (App Store for Apple devices, Google Play for Android Devices, Microsoft for Windows devices) and follow the prompts to download the Libby app to your device:

Shire of Augusta Margaret River Library Service FAQs: How Do I...?

3. When setting up the app for the first time, you will be asked which Overdrive library you belong to. Select: **Western Australia Public Libraries** & use your **Augusta Margaret River Library Service** membership number.

There are Overdrive video tutorials available at:

<https://my.nicheacademy.com/amrlibraries/course/1451>

If you are having difficulty, please take advantage of the Help page on the Overdrive site.

If difficulties persist, contact the library on 9780 5600 for further assistance.
