

July 2014

A 'Rural Producer Sales Outlet' falls into either of the following land use categories as defined in [Local Planning Scheme no.1](#): *(click link, click on "all categories drop down list" and select Local Planning Scheme)*

- "Rural Stall": means a moveable or temporary structure of no greater area than 4m² (including a stand, table, trailer and barrow) from which only agricultural produce that is grown or reared on the subject property is sold or offered for sale;
- "Rural Produce Store": means any building or structure that is greater than 4m² floor area (including a caravan) from which only agricultural produce that is grown or reared on the subject property is sold or offered for sale.

Note that if the activity cannot reasonably be considered to fall into either of these definitions the use may be classified as a 'Shop', which is not permitted in the Priority or General Agriculture zones.

Do I need Planning Approval?

Yes. Planning approval is required for all 'Rural Producers Sales Outlets'.

How do I apply for planning approval?

You will need to complete a planning application form and complete the attached checklist, which will assist you in ensuring that all the required documentation is submitted with your application. Please note that the checklist requires the submission of a detailed statement, which should provide justification for the proposed development in accordance with Local Planning Scheme No. 1, and any relevant Local Planning Policy.

What do I need to know?

Local Planning Scheme No. 1 specifies development standards such as parking requirements, setbacks, maximum building height etc. It is also important to read the general provisions of the Scheme including the objectives of the Priority and General Agriculture zones to ensure that all relevant requirements are addressed.

The Shire do not have any policies that apply to rural producers sales outlets.

Is there anything else?

Depending on the development that is proposed, you may also require a building licence and/or approval from the Shire's Environmental Health Department. On this basis it is suggested that you consult with the Shire's Building and Environmental Health Departments regarding any other approvals that may be required. These departments can be contacted on (08) 9780 5255.

Note: Prior to lodging your application for planning approval you may wish to consider making an appointment with one of the Shire's Planning Officers to discuss the proposal. Please phone (08) 9780 5220 for an appointment. Applications that do not comply with the relevant standards or contain insufficient information may be refused or take longer to process.
